

VANDERBILT LOSES AUTO RACE

MILLIONAIRE BEATEN BY OLD-FIELD IN CHAMPIONSHIP.

Time Much Slower Than World's Record, but Made a Poor Course—No Excuses for Loser, Though Hampered by High Gear—Great Crowd on Ormonde Beach.

ORMONDE, Fla., Jan. 28.—Without wind on a wavy surface course and with a deep haze covering everything as with a pall, Barney Oldfield today won the one-mile championship of America, defeating William K. Vanderbilt, Jr., by three seconds in the last three-eighths of a mile. Oldfield's time in the final was 46.5 seconds, his best in which he defeated Stevens and Bernin had been forty-three seconds, which sets the world's competitive mark three seconds lower than the record of Augier, made in France. Vanderbilt won his heat from Bowden by four-fifths of a second, with Fredericks third.

The final with Oldfield and Vanderbilt together was the event of automobilism for the entire world, and thousands who knew that such a thing would happen crowded the beach for miles. With the pair started Stevens, whose machine broke down. Two breaks caused recalls, but Oldfield and Vanderbilt finally got away neck and neck. It was a hot race to the quarter, still neck and neck, and the speed gradually increasing. For the next quarter Oldfield gained inch by inch, and just after passing the half, Vanderbilt, who had been driving on third speed, threw on fourth speed and away went Oldfield, for the engines would not carry Vanderbilt's high gear. Vanderbilt came back to third speed, but the race was lost then.

Around the tape an intense crowd watched for the event of the race. Their thunder could be heard away down the stretch, but the machines could not be seen. They flashed from the haze, both hugging the shore closely. Oldfield was seen to be in the lead. Oldfield was bent low to his work, and Tom Cooper sat upright jockeying his hands in an exuberance of joy. Vanderbilt did not complain at all, admitting defeat, but asking that opinion be deferred until the fifty-mile championship to-morrow, in which both men are engaged.

Today's races opened the meet, but beyond the one-mile championship and one heat of the gentlemen drivers' race, which Vanderbilt won without his machine being taken, no event was run. The day was very hot and was due to poor facilities as much as anything else. It is promised that the events will be run off hereafter with precision in an endeavor to catch up to the time and finish on Sunday.

The Vanderbilt victory in the first heat of the amateur race was called no race by the committee, as no time had been recorded. The second heat was the first. It was won by James D. Breeze in a 40-horsepower Mercedes in 5 minutes 18 3/5 seconds for five miles in a touring car. William Wallace was second in a 30-horsepower touring car stripped for action.

Santos Dumont watched the races and drove Brock's car up and down the course, which he pronounced ideal. Howard Gould, who had his wife, Cora, Jennings of Florida and many more notable were in the crowd of 5,000 spectators at the start. Next year's meet has been insured by a subscription list started last night by C. G. Burgoine with \$250. W. K. Vanderbilt, Jr., added \$500, Mrs. Howard Gould \$250, H. M. Flacker \$250, and the following each \$250: James L. Breeze, R. D. Stevens, H. L. Bowden, A. D. Proctor Smith, W. G. Brock, John W. Massey and J. H. Hoadley. It was thought that \$5,000 at least will be raised. Mr. Vanderbilt said today that the car driven by him in making the mile record would be disposed of. He said: "I have sold it. It after this meet," said he, "for should I compete here again I should have to have a new and faster car."

Winthrop Scott, president of the Automobile Club of America, will probably attend the international cup race with another club member, giving a large representation of considerable importance, with C. Gray Dinsmore, the regular European representative.

F. A. La Roche met with an accident when his starting crank broke, compelling him to withdraw from the day's event. Lamberjack found it impossible to repair the cracked cylinder of his motor and after coming thousands of miles at a big expense out of the running. Tom Cooper, on behalf of the Automobile Club of America, F. A. La Roche in the race for the diamond challenge trophy, and La Roche in turn protested Oldfield, asserting that the champion was not an A. M. when he started these races, nor when he won the cup some time ago. The protests may throw out the race unless withdrawn, these being the only ones.

GOLF.
Lakewood Country Club Tournament Resumes To-morrow.

The semi-final and final rounds of the New Year's open tournament, postponed since Jan. 2 on account of the snow and ice on the links, will be played to-morrow. The tournament will be an eighteen-hole open handicap for gross and net score cups. Three cups are pending in the match play, for which the first, second and third rights had qualified. In the first cup semi-final, K. L. Ayer of Chicago and R. H. Daniels of Boston should meet, and A. Sydney Carpenter of Philadelphia and J. G. Patterson of Lakewood. The latter is expected to be the favorite for the winter and it is probable that Ayer will also be an absentee. This is the first time in the history of the tournament that a player who had great reputation as a football player at Princeton, where he was known as Snake Ayer, had been defeated in a golf match on the links of Lincoln and Washington's Grady.

George Low, the Baltimore professional, is at Magnolia Springs, Fla., and he is to play a match on with Arthur H. Fenn at Palm Beach.

Mrs. E. A. Manion, for two years the champion of the organization, will be elected president of the Women's Metropolitan Golf Association to-morrow. Her important business will be transacted at the annual meeting. The retiring president, Mrs. W. F. Feltus Morgan, declined a re-election, and the other officers will be re-elected.

Meeting of Bronx School League.
There was an important meeting of the Bronx School League held at Adler School yesterday afternoon. It was announced that at the next meeting of the league the application of Heidenfeldt Institute for reinstatement of the constitution of the league has been out of the league for one year, for violating the constitution in regard to entering teams in various sports. The president, Walter Anderson, announced that the committee appointed to ground for the baseball championship had found a place in Westchester and that a more definite report would be made at the next meeting. No championship has been held for several years, owing to the lack of grounds. The schools that favored a set of indoor games insisted that the president should take some action, and he appointed a committee to report on the issue at the next meeting. It was believed that there will be no indoor meet this season at all.

The protest against Kimball School, on the ground that one of its athletes competed in games not sanctioned by the league, was taken up. There was no clause in the league of rules in reference to this matter, and as the result President Anderson dismissed the protest. The protest was lodged by Kyles School Athletic Association. The following track committee was appointed: Frank Williams, Kyles School, chairman; Thomas Murphy, Kyles School, secretary; Aaron, Adler School; Frank Childs, Fowler School; Charles Meyer, Carleton School; Thomas Burke, Mott School; William J. Doctor, Simpson School.

ROUGH RIDING TACTICS FAIL.

Ethics Disqualified After Beating St. Tammany at New Orleans.

NEW ORLEANS, Jan. 28.—This winter there has been any amount of rough riding at the Crescent City Jockey Club track. Boys have had their lives endangered time and time again, but until today the stewards have taken no real action to keep the rough riders down. To-day Jockey Cochran was set down for two weeks as a result of his tactics in piloting Ethics in the handicap. Ethics won, but in doing so he carried St. Tammany under the stretch turn and almost over the outside fence in the rush through the quarter street. Ethics was also disqualified for not hiding his work, because both his mount and St. Tammany were running free and there were but two other horses, Boaster and Pettijohn, in the running to divert the stewards' attention.

The fouls, for there were more than one, were deliberate, and the changing of the numbers on the finishing board aroused the greatest possible enthusiasm, owing to the fact that St. Tammany was the heaviest backed favorite to go to the post here in many days.

St. Tammany was the logical favorite in the handicap, owing to his ability to negotiate the going, and all the big players followed the blond plunger, Charlie Ellison, in assaulting the books up and down the line. St. Tammany was played from even to 3 to 5, and Pettijohn was the second choice. The favorite, however, was not the best, but he went to the post lane and was never a factor in the race, although he disposed of Boaster, and received second place after the disqualification.

It was cold and dreary at the Fair Grounds, and the attendance was the smallest of the meeting. Three favorites and three good times were returned winners. The card was hurried to great effect by the numerous scratches, in fact it was winter racing in reality. The first race was won by Ethics, who ran up to \$1,000, and brought in by his owner, Kansas Price.
